OFFSHORE

Health, Safety and Security Policy

MMA Offshore Limited (**MMA**) is committed to creating a safe, secure and healthy working environment and to the elimination of all work related incidents and injuries.

To support our goal we will:

- Promote a culture in which all employees want to be safe, are accountable for their safety and share that safety commitment through learning and communication.
- Ensure a systematic approach to compliance through our Management Systems and maintain the integrity of those systems through regular audits and review.
- Ensure that all employees are provided with information, instruction, training and supervision appropriate to their scope of work.
- Require all employees to be fit for work and to perform assigned tasks competently and in a manner that does not compromise or threaten the safety or health of themselves or others.
- Ensure all employees and contractors comply with our Health, Safety and Security policies, procedures and guidelines.
- Comply with all relevant State and Federal legislation including Australian Standards and International best practices.

By continuously improving our systems and being accountable for our own safety and the safety of those around us we can create a workplace that is free of incidents and injuries.
