Environmental Policy

MMA Offshore Limited (**MMA**) is committed to growing our business in an ecologically sustainable way.

To support our goal we will:

- Comply with relevant laws and regulations and apply responsible standards where laws and regulations do not exist.
- Maintain a relentless focus on environmental responsibility, risk assessments and a culture of mutual accountability.
- Zero spill commitment to both the land and marine environments.
- Ensure that all users of MMA facilities understand and adhere to MMA's environmental policies and standards.
- Monitor environmental performance to improve our policies, processes, work practices and behaviours promoting a cycle of continuous improvement.
- Promote efficient use of materials and resources (including energy, water, raw materials and other natural resources) through design and operational procedures, wherever practicable throughout our business.

By conducting our operations in an environmentally responsible manner we will help sustain the quality of life for present and future generations.
