Environmental Policy

MMA Offshore Limited (**MMA**) is committed to conducting operations in an environmentally sustainable manner.

This commitment is underpinned through our duty to:

- Maintain an ISO 14001 certified Environmental Management System with a focus on continuous improvement to ensure policies, processes and work practices remain fit for purpose, current and incorporate new initiatives.
- Comply with relevant laws and regulations and apply responsible standards where laws and regulations do not exist.
- Maintain a relentless focus on environmental responsibility, risk assessments and a culture of mutual accountability.
- Recognise the environmental sensitivities of the areas in which we operate ensuring that all operations are conducted with the aim of minimal environmental impact.
- A zero spill commitment to both the land and marine environments.
- Ensure that all users of MMA facilities understand and adhere to MMA's environmental policies and standards.
- Develop strategies and initiatives to reduce emissions across our operations.

By conducting our operations in an environmentally responsible manner we will help sustain the quality of life for present and future generations.
